

Old Torrance Neighborhood Assoc.

It's not easy being Green!

Keeping our neighborhood, and environment, clean — *this one's on us!* We've got the 3 R's down - Reduce, Reuse, Recycle, and we know straws suck, but . . . what can we do better to **make a difference, now?!**

We've invited Leslie Cortez from the City to make this not-so-fun subject, FUN! She's got lots of "free stuff" to give away (like your very own reusable straw), and information to share on how to lessen our impact on the planet. **Do you know what happens** to the eco system when dog doo-doo isn't picked-up? Don't want to know, I know, but . . . you'd be surprised! *Just sayin'!* Come on, **let's talk trash!**

This event is free & open to the public.

Come early to meet your neighbors!
