

A Search for Meaning in the Garden

What do you want from your garden?

Greg George, a landscape architect with over 25 years experience in residential, commercial and institutional landscape design-build, will discuss what *you* want from your garden.

Topics covered include . . .

- Creating spaces — enjoy, function, visual connection
- Bring the indoors, out
- Celebrating the period of your home
- Space constraints

Bring your questions (and a friend), and learn from the expert how to get the most from your garden. All guests in attendance will receive a discount coupon for South Bay Gardens.
