Tiles Play a Key Role in Restoration

Native Tile & Ceramics Founder and Master Artist, Diana Mausser, believes every piece of tile tells a story. The company, renowned for its restoration-quality handcrafted decorative tiles in the California Mission, Spanish and Craftsman styles, is located right in our backyard and her tiles speak the language of our eclectic mix of historic houses. Come see the handmade decorative tiles, which have been crafted using the same techniques as historic tile makers in Southern California, and sites where they have been installed. *Is your house next in line?*

This event is
