**Hello Torrance Neighbors:**

On Wednesday, November 19<sup>th</sup>, our next OTNA meeting will be held at the Bartlett Center. Please join us at 7:00 PM for visits and refreshments. The formal meeting will begin at 7:30 PM with a presentation on how to best handle the current economic downturn.

**Navigating the Economic Storm:** We are pleased to have Mr. Dick Rossberg, former Torrance City Councilman with 43 years of Financial Consulting experience, to discuss current market dynamics and provide insight into various investment objectives.

**Election Poll Results:** It was clear from our last meeting that a preponderance of our attendees was strong supporters of the Torrance School Bond Measures. Everyone should be proud to have supported open discussions on Measures Y and Z and the overwhelming support they received in the Polls. Now the focus should be on effective administration of implementation and execution of the critical school improvements that must be accomplished from the resulting Bond resources.

**Year End Activities:** It is time to be thinking towards year-end activities, which require our attention. First, it is time to elect a new Board of OTNA officers. We will be appointing a Nominating Committee and your input to this committee is important. If you, or someone you support, is available to serve in a Board position, please let the Committee know. Also, it is timely to take action to pay your dues (\$10) for next year's membership – and remember, a very large percentage of our intake goes to charities.

**November Sponsor:** The law firm of Wasserman & Wasserman, LLP was founded in 1978 by Ronald T. Wasserman and renamed in 2003 when his son Gavin became a partner. This firm offers a wide range of legal services, including: Probate, Wills & Trusts, Business Transactions, Corporate Formation, Litigation and Real Estate.

Remember the best time to meet a lawyer is before you need one, so feel free to drop by their office and say hello. They are located at 1230 Crenshaw Boulevard, between Torrance Blvd. and El Dorado (PH: 310-212-0735).
